Out of a total of taxes levied amounting to \$80,000 in Cochie county, less than \$4,000 remains to be paid. This is a better showing than can be made by any other county in the territory and the best that has ever been made in the history of Cochies. It is largely due to the business methods of those in charge of alfairs and the confidence which the taxpayers have in them.

The record made by the customs service of this district during the year just past is a remarkable one. The whol-sale smuggling which has been going on for years has been largely ory is the grounds for the demurrer, broken up. Since November last more captures of smugglers have been made than were recorded for the en-tire time that the district has been to elode toy acres, but area just nows and forming the lode toy acres, but area just nows and forming portion of the quarter of section in specials. The San Pedro river has a water shed of twenty-five by twenty-eight miles in Sonora, Mexico, and in Cochise county a water-shed of twentyave miles in width by eighty miles in length, or a total, including Mexico, 1370 of twenty-five by one bundred and eight miles, or two thousand seven hundred square miles, of which two thousand square miles are in Cochiscounty, which waters flow through Cochise county.

Senator Carev is encouraged over the prospects of has bill for the cession of one milion acres of land to April. May and June, 1894, at the each arid land state and territory, to be improved by irrigation. The general expression of opinions by members is for the bill. There is but little doubt but that it will be favorably reported soon by the committee on publie lands.

> The condition of the public schools of a state or territory add a great deal to the value of its lands to settlers who contemplate making their homes within its borders. The present financial and intellectual standing of the schools of Cochise county will compare most favorably with that of the older and 2 00 more favorably situated institutions of learning.

### Our Motto

"A foller's worth for a dollar" is the motio of Bood's Sarsaparilla. This medicine is a highly concentrated extract of Sarsaparilla and other well-known vegetable remedies, and is pre-monuted by experts the strongest and best preparation of the kind yet produced. It owes its peculiar strength and medicinal merit to the fact that it is prepared by a Combination, Proportion, and Process
